4/28/2010

As you scramble through brain teasing, 100-adjective spa treatments and brunch menus for Mother's Day, I know exactly what you want to know-- Where is it? Can I afford it? Is it worth it? Will my mom still be hungry after her decorated lettuce binge? Check out my simple breakdown of what local hotels are offering...

**What:** Kitchen 305's all-you-can-eat-brunch. Buffet includes carving stations, made-to-order pastas and omelets, seafood, dessert bar and more.

**What Else:** Enjoy all-you-can-drink Champagne (It's probably sparkling wine) while Spiritualist Estherleon Schwartz serenades mama. Mom will also receive a FREE \$50 gift card for the hotel's Seven Seas Aveda Spa after brunch purchase.

**How Much?** \$27.95 per person.

**Kitchen 305 at Newport Beachside Hotel and Resort, 16701 Collins Ave., Sunny Isles Beach, 305-949-1300.**
