- The Charlotte: Fit for a Manhattan princess, this package includes a sleek blow out and a New York style pedicure from the city's own Dashing Divas Nail Bar. Price: \$50 for limited time (Regularly \$65)
- The Samantha: Sensual and seductive, bold and a little crass, this package is a pleasure-seeking combination of deep tissue massage, 40-minutes of reflexology focused on specific pressure points and a Green Science Skin-Renewing Facial with Perfecting Plant Peel which performs like a glycolic naturally without redness or irritation for those who recall Samantha's chemical peel disaster. Price: \$175 for limited time (Regularly \$216)
- The Carrie: Give over-worked, typing and texting hands a rest with a 45-minute Elemental Nature Manicure featuring hand massage and masque. This package also includes a smart Aveda hair cut and flat/curling iron styling for the fashionable woman who seasonally craves a new look like a pair of pumps and well-structured handbag. Price: \$70 for limited time (Regularly \$92)
- The Miranda: Avoid any "hairy situations" like Miranda experienced in Mexico with a full leg, underarm and bikini wax. Then melt away tension with a Fusion "Hot Shell" Massage featuring heated Indonesian Tiger Shells. Price: \$150 for limited time (Regularly \$197)
