## » SHOPPING Spa Week

During Spa Week April 12-18, more than 1,000 spas nationwide offer spa treatments for a deal, many for just \$50. The goal is to make the spa lifestyle affordable to everyone. Indulge in treatments that normally range from \$100 to \$450 at locations posted on [www.spaweek.com](http://www.spaweek.com).

» At the **Bliss Spa** at the new W South Beach expect tension-fighting facilities, a luxe nail lounge and trademark Bliss touches—like a cleverly compiled menu of super-effective services, rhythm and blues tunes, and a legendary brownie buffet. 2201 Collins Ave., Miami Beach, 305.983.3000, [www.starwoodhotels.com](http://www.starwoodhotels.com).

» **ESPA** at Acqualina's Special Vitality offer includes a choice of a 80-minute Swedish Reiki or Hot Stone Massage or a facial with a 15-minute guided meditation to restore your mind, and full use of the spa's steam rooms, sauna, heated jet pool and Roman waterfall, and a complimentary yoga class available on Sat. at 9 am. The Vitality offer, valued at \$307, is available for \$225. 17875 Collins Ave., Sunny Isles Beach, 877.852.9509.

Some other participating spas are Clarins Skin Spa at Bloomingdale's Aventura Mall and The Falls Mall, and at Nordstrom, Village of Merrick Park.

## GO GREEN

» Bring green into daily beauty routines with two fresh fragrances from **ecoTOOLS**, featuring organic botanical extracts. The new "Passion for Change" Body Mist (\$5.99) wraps the body in earthy warmth with just one spray. The new and improved "Blooming Planet" Body Mist (\$5.99) returns with a revised floral fragrance of organic peony and passion-flower with soft, pink petals. Available at Target stores.

» **Pangea Organics** are true to the place their products come from—the Earth. The face and body care is organic. Pangea's latest must-haves are the new Japanese Matcha Tea with Acai & Goji Berry Facial Mask (\$35), and the new anti-bacterial Pyrenees Lavender and Cardamom Foaming Hand Soap (\$14) that says bye-bye to germs the natural way. Available at Whole Foods Market and Anthropologie, [www.pangeaorganics.com](http://www.pangeaorganics.com).

» **Jack Black**, the prestige men's skincare products line, features botanicals and certified organic ingredients in their PureScience® products. Shampoo, conditioners, face masks, shaving cream and 3-in-1 products are vegan, cruelty-free, colorant and fragrance-free; priced from \$16-\$60. At Neiman Marcus, Nordstrom, Bloomingdale's in the Falls, Sports Club LA, and Sephora. [www.getjack-black.com](http://www.getjack-black.com).
